Hello! My name is Teacher Kat.

I am an American teacher with 11 years of experience teaching. I have taught both group and individual classes, online and in a classroom, to Chinese and Spanish speaking children and adults level CEFR A1-C2 .

My passion is teaching. I work hard to make my classes engaging, dynamic and individualized. I am passionate about my students achieving their highest potential. As an educator, this means I must meet a student where he or she is at. Therefore, I am unafraid to try as many different methods and techniques necessary to reach a student and ensure my teaching meets their needs and they progress as quickly as possible. Learners are all unique. I strive to be flexible and tailor my approach to meet my student's unique learning needs.

I have a Bachelor's degree in English and Political Science from Hunter College in New York City, three years of legal education from Lewis and Clark Law School and a 120-hour TESOL certificate.

My favorite activities are playing with my 4 cats, swimming at the beach and traveling the world.

I hope you select me to be part of your child's journey. See you in class!

## What is your cancellation and refund policy?

If Student/Guardian needs to cancel a scheduled lesson, Student/Guardian agrees to contact Teacher and classmate (if applicable) at least 24 hours before the scheduled lesson. Student/Guardian may contact Teacher by WeChat, DingTalk or email. The missed class will be rescheduled for the subsequent week at the regularly scheduled time or, whenever possible, a mutually agreed upon time by Student/Guardian, Classmate and Teacher.

*Student/Guardian is permitted, within a 4 week period, 1 cancellation (for students taking 1 class per week) or 2 cancellations (for students taking 2 or more classes). Student/Guardian forfeits the deposit paid for a scheduled lesson if Student/Guardian fails to give at least 24 hours notice to Teacher. That means that Student/Guardian pays for the missed lesson.*

*Student/Guardian is permitted, within an 8 week period, 1 emergency exception (for students taking 1 class per week) or 2 emergency exceptions (for students taking 2 or more classes).*

In the event of an emergency, please provide 12 hours notice to both Teacher and Classmate (if applicable).

In the event of a permissible cancellation by Student/Guardian's classmate (for 1v2 or 1v3 classes), Student/Guardian agrees to rescheduling at the regularly scheduled time or, whenever possible, a mutually agreed upon time.

### **Permissible cancellation are:**

- **For students taking 1 class per week:**
  - ★ **1 cancellation within a 4 week period with 24 hour notice**
  - ★ **1 emergency cancellations within an 8 week period with 12 hour notice if possible**
- **For students taking 2 or more classes per week:**
  - ★ **2 cancellations within a 4 week period with 24 hour notice**
  - ★ **2 emergency cancellations within an 8 week period with 12 hour notice if possible**

Any additional exceptions to the cancellation policy must be agreed to by Teacher, Guardian/Student and Classmate's Guardian.

Refunds are offered on a case by case basis. Generally, no refunds will be provided after the first class.

*What program or platform will you be using?*

I use Zoom. Once payment is received, I will send you a permanent class link with a password which will be used for all your classes.

*Do you accept student referrals?*

Yes, and I very much appreciate the support! I offer a free class to any referring student once the referred student makes a class purchase.

*How can I contact you with questions and when should I expect a reply?*

I am generally available Wednesday 21:00-23:00, Thursday-Friday, 6:00-8:30am, Thursday -Sunday 21:00-23:00 BJT to answer questions immediately on WeChat or DingTalk. Any other questions will be responded to within 12-36 hours.

*How can I pay for my classes?*

I currently receive payment from WeChat or Credit Card through Stripe. I will send you a link to an invoice. To pay through WeChat, there will be a QR code for WeChat. When you see the QR Code, you will have to open the QR Code on another device to scan with your phone. In my experience, scanning a picture of the QR Code will cause an error message.

Please feel free to let me know if you have any other questions or concerns and I will respond to you as soon as possible. ❤️
